DEAR MADAM—A genuine "bumper" business in Nemo Corsets during
Nemo Week shows that millions of sensible women, all over the country,
have again expressed their hearty approval of
the Nemo Hygienic Corset System.

Never before have we been able to offer
such a wide variety of models for all figures,
or such great values; and, as a natural result,
never before have so many Nemo Corsets
been sold in a single week.

In order that still other thousands of
women may profit by this country-wide
display of "the world's best corsets," Nemo
Week will be continued until next Saturday,
May 18.

Don't miss this opportunity to study the
great Nemo Corset System and see for your-
self the vast superiority of the genuine Nemo
Corsets over the many useless imitations with
which the market is flooded.

Nemo Self-Reducing Corsets
\$3.00, \$3.50, \$4.00 and \$5.00

Nemo Corsets for Slender Figures
\$3.00, \$4.00 and \$5.00

Be sure to note the wonderful style and
comfort effects produced by the use of those
two patented Nemo fabrics—Lastikops Cloth
and Lastikops Webbing—the only elastic fabrics
in existence that will not lose their elasticity,
but keep your corset flexible and comfortable.

If any dealer tries to sell you something
"just as good as the Nemo," refuse it, and go to a store where you can get what
you want. BE A WISE WOMAN!
